BRAUMS

"ITS" Moving Traffic

STATIC SIGNS

BRAUMS and ATC can provide all the traffic signs, signals, controllers and associated equipment you need for a new or upgrade installation.

Supply

To support our ability to provide a whole-of-intersection solution for our customers, BRAUMS also supply a full range of traffic signs:

- Regulatory signs (R1 – R9 Series)
- Warning signs (W1 – W8 Series)
- Hazard markers (D4)
- Guide and information signs (G1 – GE Series)

We also supply:

- Temporary signs for use during construction (T1 – T8 Series)
- Safety signs
- Wayfinding signs

Standards

All signs are compliant with:

Australian Standards

- AS1742 (Manual of Uniform Traffic Control Devices)
- AS1743 Road Signs Specifications

Road and Maritime Services (RMS) specifications.

All signs can be made to standard sizing as per the above specifications, or to non-standard sizing if necessary.

Customised or non-standard signs are also available.

Quality
ISO 9001
